Arkom Interiors – Reference

HDI-Gerling engaged the services of Andrew Kelly at Arkom Interiors in April 2014 to facilitate our office refurbishment project.

Right throughout the design stage Andrew has been open minded and was able to create some great conceptual ideas for our workspace within our scope and budget.

We had a tight timeframe in which to complete our project and Andrew was able to provide a detailed schedule and the project was completed on time, on budget and to a very high standard.

Throughout the 3 stages of works, Andrew was responsible for overseeing the contractors and getting the relevant council approval and certification and I didn't have to get involved in the project management at all. Andrew kept me updated with any updates along the way and was always willing to adapt to any changes we decided to make along the way.

His long standing relationship with his team of builders, electricians and suppliers was evident as they were all well informed, on time, tidy and professional.

I have no hesitation in recommending Andrew Kelly of Arkom Interiors.

Yours sincerely,
