## Letter of Recommendation - Testimonial

Arkomp Interiors was recommended to us by another company and we are so glad they were! They have been very professional in their approach, as well as very patient when we had a few council hurdles to conquer. They were there to offer assistance and make the whole process very easy and fast for us. They met our deadlines and the workmanship is excellent. They engineered a solution for our flexible requirements that has added value to our site and works brilliantly. We highly recommend Arkomp Interiors for any office fitout.

Kind regards  
Danielle Bensley
